

UNIFORM POLICY

1st Grundisburgh Scout Group and Fynn Valley Explorer Unit are part of the UK Scout Association and the International 'World Organization of the Scout Movement' (WOSM). With over 50 Million members we are the largest Movement devoted to enriching young people's lives.

The Scout Association aims to provide fun, adventure and 'skills for life' by giving young people the opportunity to enjoy new adventures, experience outdoors and take part in a range of creative, community and International activities whilst interacting with others, making new friends, gaining confidence and have the opportunity to reach their full potential. Scouting can be universally identified as a society that wears a Uniform and as such 1st Grundisburgh Scout Group and Fynn Valley Explorers follow the UK Rules regarding Uniform and thus have implemented the following as a Uniform Policy.

Any Young person who wishes to join 1st Grundisburgh Scout Group and Fynn Valley Explorer Unit is expected to wear the recognised UK Scout Association Uniform at all meetings, unless told otherwise by the Leaders in charge due to the nature of some activities.

Our essential Uniform consists of a long sleeve shirt or sweatshirt as per their Section with accompanying scarf, woggle and all badges sewn on in the correct place. All Beavers and Cubs should own a long sleeve Uniform sweatshirt jumper and Scouts and Explorers should own a long sleeve Uniform shirt.

All Beavers and Cubs should wear a plastic woggle or 'officially made' woggle. Scouts and Explorers should wear a leather woggle or 'officially made' woggle. Elastic bands and hair bands are NOT to be used as a replacement woggle. Only the 'Friendship Knot' and no other kind of knot can be worn towards the end of the scarf.

The Scout Association's polo shirts for any Sections are for casual wear on camps and events – NOT for weekly Section meetings and should not hold any badges or replace the official shirt or sweatshirt.

1st Grundisburgh Scout Group and Fynn Valley Explorer Unit do not consider the Scout Association's navy Activity Trousers as an essential piece of the Uniform and ask members to wear suitable trousers or shorts depending on the conditions as per meeting and activity. However, we insist for Parades that members wear smart trousers, either black or charcoal in colour, with smart black shoes.

Lack of Uniform, or parts of Uniform, not worn over several occasions may result in loss of invite to special activities and camps. Persistent offenders not wearing their Uniform may also result in loss of membership.

New badges achieved by Members will not be awarded if previously gained badges are not sewn onto their Uniform.
